Dear Brian,

Thank you for your generous donation of 500.00 on 09/29/2021 to WomenHeart: The National Coalition for Women with Heart Disease.

Your generous donation enables our efforts to support, educate, and advocate for women living with heart disease, and prevents heart disease among those most at risk. Your donation also allows WomenHeart to collaborate with hospitals to advance women's heart health; train *WomenHeart Champions* to educate women in their communities about heart disease and provide in-person and virtual support to women living with heart disease.

Your support is greatly appreciated and will help to continue our efforts to advance the mission of the nation's only patient-centered organization solely dedicated to serving the millions of women living with or at risk of heart disease.

Together, we are saving lives!

Sincerely,

Celina E. Gorre

Chief Executive Officer
